HDOC DAY-74

NAME-PRIYADARSHNA

SAPID-590032928

BATCH-15

Aim

To write a C program using enumeration to display the number of days in a given month.

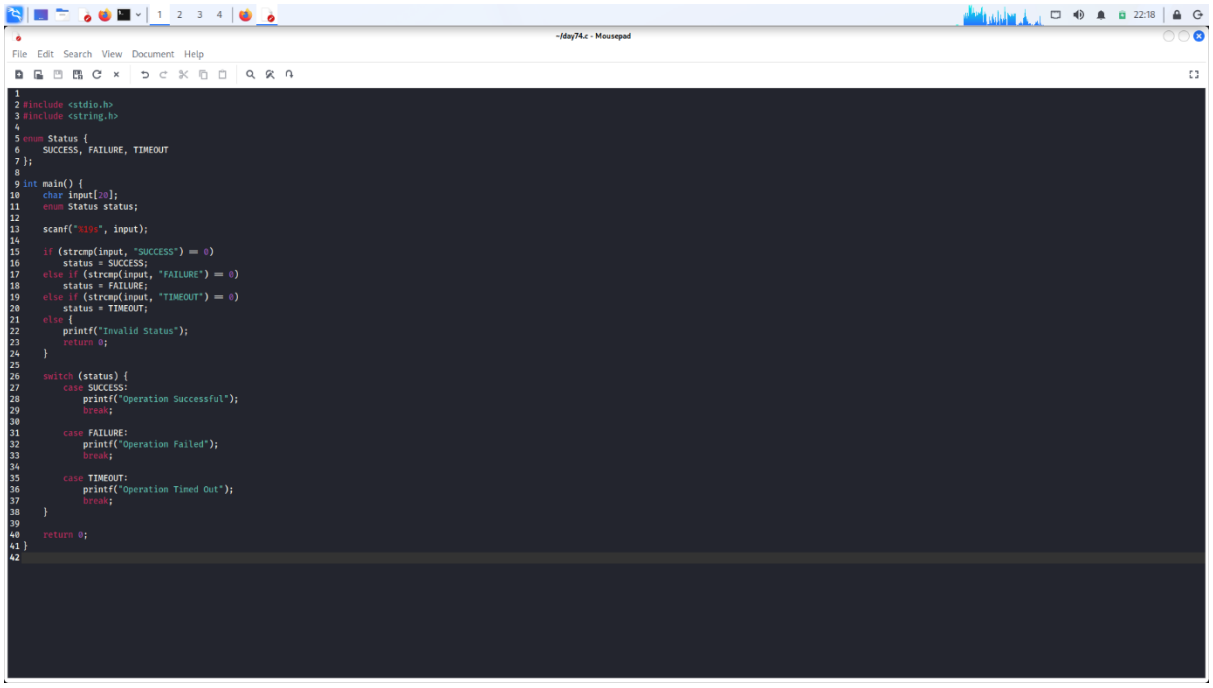

Question

Create an enumeration for months and print how many days each month has.

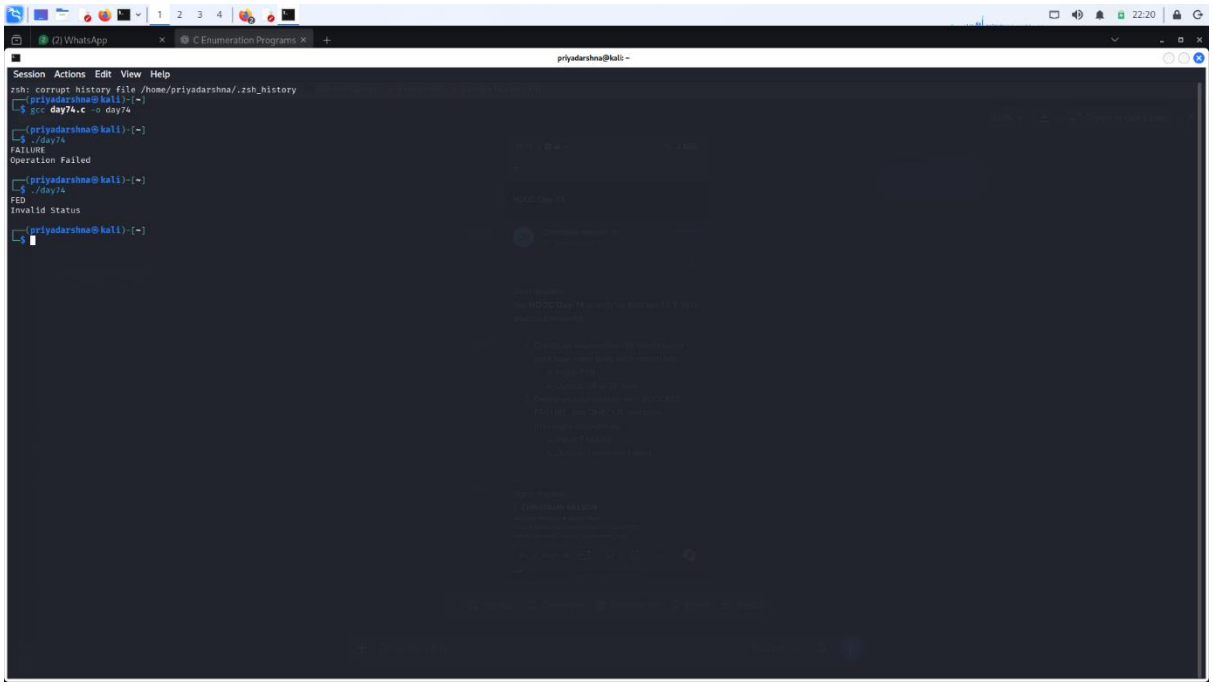

Algorithm

1. Start the program.
2. Declare an enumeration containing all 12 months.
3. Read the month name from the user.
4. Compare the input with the month names.
5. Use switch to display the number of days.
6. Stop the program.
